Announcement

There's more downright satisfaction in presenting this 1941 International Sale offering than has been the case in any Association sponsored sale in many years. Association representatives and cooperating breeders have worked hard to assemble a group of young Shorthorns that will be, and will perform in complete accordance with all that has been claimed for them. And we've succeeded in far greater degree than in any previous International Sale.

The sale tops of other years have been of equal quality, of course, but for end-to-end excellence, the animals listed in this catalog are the best we've seen in any consignment sale. That's saying plenty, we realize, but it's said with conviction.

The pedigrees represent the best bloodlines in the breed. The cattle are of modern type—low set, thick, early maturing, thrifty and stylish. They are the kind any stockman can be proud of, the kind that can be depended upon to keep the Shorthorn breed moving forward rapidly in interbreed steer competition.

The animals in this sale offering are listed according to age, except in two or three instances where the lack of photographs made it necessary for some slight rearrangement.

Shorthorns have enjoyed a healthy gain in popularity. Now is a good time to buy, whether you're a veteran breeder or just considering entering the business. We hope you'll take full advantage of the opportunities afforded in this sale to procure the richest of breeding, and the best individuals available for herd improvement.

If you are unable to attend this auction send mail or wire bids to H. J. Gramlich, or Clem Larson, c/o American Shorthorn Breeders' Assn.; or to the fieldmen representing the press, or the auctioneers.

AUCTIONEERS: A. W. THOMPSON and JOHN E. HALSEY, assisted by Tom Sherlock, Don Chittendon, and Paul Good, of the Corn Belt Farm Dailies and Clint Tomson of the Shorthorn World.

H. J. Gramlich, Secretary,

AMERICAN SHORTHORN BREEDERS' ASSOCIATION.

Guarantee

Approved by American Shorthorn Breeders' Association

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls sold as separate lots are guaranteed breeders, provided they are not allowed to serve when under 14 months of age or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. Cows with own calves under four months of age by side are considered proven breeders. All other cows and heifers are guaranteed breeders, except that calves sold by side of the dam as one lot and heifers under 16 months of age at the time of sale are not guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows and heifers bred for more than three months, according to the service date furnished at the time of sale, but not proving in calf, must be reported to the seller within three months after date of sale; all others served within three months prior to the date of sale, not settled or proving to be in calf must be reported within six months. Females over 16 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. Any animal not proving up to the foregoing guarantee shall be replaced with another of equal value at the time of purchase to the satisfaction of the purchaser, but the seller may, if he desires, have the animal returned for a retrial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder, the purchaser shall be given the option of having the purchase price refunded without interest, or of accepting a substitute as stipulated above. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply upon any animal later substituted.
5. All animals are sold subject to a 60-day retest for tuberculosis, or to comply with the laws regulating tuberculosis of the State or Country into which they may be shipped. Animals shall be segregated from the buyer's herd until the retest is made except the herd be a Federal Accredited one. All tests for tuberculosis, either test before sale or retest, shall be made by a Federal or State Veterinarian, or veterinarian deputized by the State Veterinarian, who is cooperating with Federal Veterinarian and qualified to do accredited herd testing. Purchase price to be promptly refunded upon proof of reaction, except that the purchaser shall agree to accept a substitute. Blood test will be made when it is required by the destination State or Country.
6. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale and without trouble to the purchaser, but at his risk of loss or injury after being bid off.
7. **TERMS:** Cash, except other arrangements are made with the consignors before the sale. All settlements to be made with the representatives of the American Shorthorn Breeders' Association immediately after the close of the sale, but it shall be expressly understood that said Association assumes no liability, legal or otherwise, and that the above guarantee and terms shall constitute a contract between the consignor and purchaser of each lot.

The footnotes as printed have been supplied by the sellers.

At the close of the fiscal year October 31st, a total of 975 new Shorthorn breeders had joined the Association. That's the remarkable average of one new member every 9 hours for every day of the year, including Sundays.

That record is 8 percent greater than last year, which in turn was 22 percent above the year before. Last year's new members, too, eclipsed by 226 the runner-up beef cattle association. In view of this new blood, this new market, coming into the breed, future progress and prosperity is certain. Prepare for this growing market with Shorthorns bought in this sale.

Burnbrae Royal, sire, Collynie Royal Purse (243083) by Rosehaugh Mandarin 1726754, out of Tarty Princess Royal 32d (81614). Dam, Rosewood of Collynie =233024= by King William 1517082, out of Rosewater 19th (2780).

Calrossie Control, sire, Collynie Royal Leader 1492017 by Balcairn White Eagle 1259318, out of Eliza Lass v63-1226E. Dam, Calrossie Princess Mona (88108) by Naemoor Ian (209839), out of Calrossie Princess Marjory (64399).

Calrossie Rosewood Landlord, sire, Balmuchy Landlord 1719126 by Naemoor Landlord 1719128, out of Namoor Buttercup 4th 1719130. Dam, Calrossie Elaine Rosewood (130747) by Collynie Royal Leader (188656), out of Calrossie Rosewood Beres (110144).

Perfection—Is all that could be desired in a bull—won 2d in class at Toronto. His dam and granddam in the W. J. Russell herd are two of the very best females in Canada and the next two dams are considered the best in Scotland. Both are in the Calrossie herd of Capt. MacGillivray. Perfection is by Burnbrae Royal, a son of Collynie Royal Purse by the great Rosehaugh Mandarin. His dam, Rosewood of Collynie is by King William, full brother to Collynie Royal Leader. Study this breeding carefully—it cannot be duplicated.

Thornham Minstrel, sire, Millhills Comet 1338342 by Cupbearer of Collynie 548990, out of Clipper Princess v58-432E. Dam, Cherry Maid 1563212 by Royal Knight 647765, out of Orange Blossom 17th 1563213.

Mandate Sensation—Is a very even dark roan with red head, neck and legs. His sire, Rigfoot Sensation, is the great Canadian show and breeding bull—he was Grand Champion at the 1937 and 1938 Royal Winter Fairs. His dam, Augusta 47th, is the top cow in our herd of over 100 head. She was shown successfully as a calf. She is a dark red roan in color and is a smooth, thick, low-down, typy cow, sired by our former herd sire, Clipper King. Mandate Sensation was first prize summer yearling and Reserve Junior Champion bull at the 1941 C. N. E. and is considered by many leading breeders as an outstanding herd bull prospect.

Braedoon Aristocrat—A straight top, deep, even underline, pleasing balance and style to spare. This son of the outstanding Canadian sire, Collynie Royal Barrage is a herd bull prospect and should not be overlooked. Study his pedigree carefully. It is doubtful that a better combination of Scotch breeding could be assembled under one hide. You are bound to like this bull.

Klaymor Extra—A stylish, straight-lined, well-balanced, deep roan son of the famous Collynie Royal Barrage. He is out of a daughter of Millhills Ransom, the bull which has done so much to bring refinement, smoothness and style to the front in Canadian Shorthorns. Remember, Collynie Royal Barrage calves have for several years made outstanding average in the annual Russell sales.

Model Envoy—A stylish, red, herd heading prospect out of a good Broadhooks cow, which has proven an exceptional producer in our herd. A steer calf out of her was Champion Shorthorn at the Iowa State Fair and won 1st prize at the International in 1937. One of her heifers topped a red hot Abingdon sale. All of her calves have been outstanding and this young bull gives promise of being better than the others.

Browndale Aspiration—The first son of Sni-A-Bar's Cruggleton Aspiration to be offered in an International Sale. This deep red bull is out of Secret 4th, the dam of Miles-of-View Secret, 1939 International Gr. Ch. Female. She is the dam of Secret 6th, 1940 Jr. Ch. female that sold for \$1300.00 in our sale. Here is an opportunity to buy an outstanding herd bull prospect.

Shorthorns produce highly desirable beef as indicated in this picture of "eyes of beef" taken from a load of market-topping Shorthorns sold on the Chicago market. Note the large amount of lean to fat, a characteristic desired by modern consumers. Answer consumer demand by raising more high quality, high dressing Shorthorns.

Helfred Nimrod—Has all the qualities to meet the approval of the most critical judge. His dark red color is perfect—has a beautiful head and horn—level and true in his lines—carries his width evenly from shoulders to quarters and is blocky and compact in his makeup. Won his class at Iowa and Missouri State Fairs. His dam is a dark roan almost red cow that won her class at Iowa State Fair as a calf and again as a senior yearling. His granddam is also a dark roan and she produced an Iowa State Fair and Am. Roy. Jr. Champion bull. We recommend this calf very highly.

Marellbar Paymaster—Check the four top sires of this pedigree, including Rosehaugh Victor by Collynie Royal Leader. Gay Nonpareil 4th was the top heifer in the Beath auction of 1939 and one of the top selling open heifers of the year. She is very dark red, low down and a great breeding cow. She now has her second calf and it is one of the best on the farm. Marellbar Paymaster is very low-set, good headed, straight and level, and good enough to make an outstanding herd bull prospect. Look him over closely. You will like this grand red calf.

Millhills Gem—A short aged senior calf which has done exceptionally well at this year's shows. Stood 3d in class of 12 at Mo., 5th in a class of 27 at Iowa. Not bad—considering that he lacks only two weeks of being a Junior Calf. Study his picture, then look the calf over carefully at the show. He is square and deep, good hind quarters, level top, good head and thickly covered. He is not in high flesh, but ready to go on and do well for his new owner. He is sired by a son of Millhills Ransom, the \$17,000 bull which has done so much in adding smoothness, style and thick fleshing to the herds in Canada.

Calrossie Lord Rothes, sire, Royal Banker 1634157 by Naemoor Gaffer 1719127, out of Goldie 18th (64410). Dam, Inverness Queen Rothes 3d 1634174 by Adbolton King Tulip 1634143, out of Inverness Queen Rothes 1634173.

Elcona Gold Cloud—Is by Blythwood Gold Cloud, whose grandsires are the two noted bulls, Browndale Goldspur and Ballylin Rodney. The mother of Elcona Gold Cloud is a granddaughter of the noted Edellyn cow, Phingask Myrtle 2d. This calf is a deep red and his sire and dam are red. He is deep, thick, very short legged, and heavy in his bone. He will suit the particular herd bull seeker.

Maxwalton Royal Novelty—You are bound to like this low-set, thick calf. He possesses characters needed by a modern herd bull. He is out of an attractive dark roan imported cow. Study this pedigree and consider the good which can come from blending the blood of Browndale Conqueror and this imported Lavender strain into your herd. This calf should sire good dark colored animals. He is just such a stylish package as the Junior bull calf which sold for \$1300.00 in the 1940 International Sale.

Mint Master—As is true of the majority of Supreme Goldfinder's calves, this youngster carries a good heart girth and a world of feeding quality. He is not in high condition as he was not started on grain until September, but should make a real sire and show bull. He is a beautiful roan, very masculine, deep and short in the body, with sturdy, well-placed legs and is extremely loose-hided. He was entered too late to have photograph included in catalog, but should be looked over carefully.

Winifred of Helfred 3d—Needs no introduction. She has been one of the most consistent winners in our show herd for the past four years, winning many championships at leading shows and Jr. Champion at 1939 International. She will calve in January to the service of the 1940 International Grand Champion bull, Sunray. Such a combination as this is seldom offered in a sale. The fortunate buyer of this female will get the most valuable young cow to be sold this year.

Comrie Clipper 2d—A useful heifer in whose veins course the best breeding of two continents. She will be safe in calf to the outstanding bull, Klaymor Equipoise—the Grand Champion bull at the 1941 Michigan State Fair and one of the top selling bulls in Canada last year. Comrie Clipper 2d should make a fine addition to any breeding herd. Her calf by this good bull should be a promising prospect.

Kinellar Outlaw, sire, Haselor Mintmaster (223650) by Haselor Clipper King (208055), out of Latton Missie 23d (35439). Dam, Collynie Blythesome (134551) by Balcairn Beaver 1772967, out of Blythesome 43d (38513).

Matchless Minstrel, sire, Thornhan Minstrel 1538611 by Millhills Comet 1338342, out of Cherry Maid 1563212. Dam, Flower Girl 17th =210386= by Rosewood King =169882=, out of Flower Girl 16th =174354=.

Maxwalton Blythesome 3d—A winsome little red lassie that is bound to please. She is out of a good Canadian cow and sired by our good herd bull. Many of the most outstanding Maxwalton cattle have originated from a similar blending of bloodlines. She presents a real opportunity to procure a low-set, modern type Shorthorn heifer for herd improving purposes.

Shorthorn Demand Skyrockets!

Shown here is the champion load of Shorthorn feeder calves at the 1941 American Royal. This load, bred and exhibited by Julius Peterson of Elbert, Colo., sold in the sale following the show at \$16.50 per hundred, out-selling the load of another breed that was reserve grand champion of the show.

That stockmen are recognizing the greater profit possibilities of modern type, fast-gaining Shorthorns was clearly evident when all the Shorthorn feeder calves in the American Royal sale averaged \$15.38 per hundred, or \$2.11 higher than the average of the runner-up breed.

The animals offered in this offering are strictly of the type and breeding to produce this same demanded kind. Whether you're a newcomer to the business or an established breeder, your money will be wisely and profitably invested here on Dec. 3.
